EDUCATION & TRAINING

Bachelor of Arts - Honours Arts & Business with Minor in Economics & International Trade.

Expected 12/2026

University of Waterloo

Waterloo, ON

- Relevant Coursework: Principals of Marketing, Money and Banking, Introduction to Public Economics, Introduction to International Trade, Business Finance, Accounting Information for Managers, Practical Business Skills, Choice in Competitive Markets and Econometric Analysis.

EXPERIENCE

Marketing, Social Media, and Salvage Partnerships Assistant

01/2025 – 04/2025

Habitat for Humanity Windsor-Essex

Windsor, ON

- Designed and supported a **CRM-enabled partnership workflow** to manage donor intake, scheduling, and volunteer coordination, improving process visibility and reducing manual tracking across teams.
- Coordinated **logistics and supplier-style partnerships** with 40+ local businesses, strengthening inventory flow and supporting ReStore revenue-generating operations.
- Analyzed **program activity and engagement data** to inform outreach prioritization, scheduling decisions, and resource allocation.
- Standardized operational documentation and processes used by field teams, improving consistency, efficiency, and cross-functional coordination.

AI / ML Analyst

05/2024 – 08/2024

Smart serve / University of Waterloo

Waterloo, ON

- Analyzed **customer interaction data and response-time metrics** from the Zendesk chatbot, contributing to an approximately 30% reduction in average response time based on internal performance reporting.
- Evaluated **AI-driven customer service solutions** (generative replies, conditional logic, multilingual support, bot personas) to improve first-contact resolution and reduce user friction.
- Conducted **comparative platform analysis** across Zendesk, Freshdesk, and Google Dialogflow, assessing cost, scalability, integration capability, and operational tradeoffs.
- Synthesized technical research and system testing into **structured operational recommendations**, supporting improvements in course integrity, customer satisfaction, and data-driven decision-making.

Vice President of Marketing

09/2025 – Present

University of Waterloo Economics Society (UWES)

Waterloo, ON

- Planned and coordinated **term-level initiatives and events**, aligning timelines, responsibilities, and resources across a multi-member executive team.
- Worked with executive leadership to translate **organizational goals into execution plans**, supporting prioritization and term strategy.
- Supported **recruitment, onboarding, and workflow planning** for marketing and web coordinators, improving role clarity and execution consistency.
- Standardized internal processes for campaign planning and coordination, improving cross-functional communication and delivery reliability.

PROJECTS

F1 in Schools – Business & Sponsorship Strategy Project

09/2017 – 09/2020

Sponsorship Manager

- Led **business and sponsorship planning**, identifying funding requirements and aligning outreach strategy with team objectives and cost constraints.
- Developed **sponsorship proposals and pitch materials** outlining value propositions, budget needs, and expected returns for external partners.
- Supported **resource planning and allocation decisions** across competition seasons based on available funding and operational priorities.
- Collaborated with team leadership to evaluate tradeoffs between **design, manufacturing, and budget constraints**.
